**TalentFusion Declines to Participate in the HRO Today 2011 RPO Baker's Dozen Survey**

*Boston, MA, July 20, 2011* - [TalentFusion](#), a leader in the Recruitment Process Outsourcing industry, announces the decision to decline participation in the recently released 2011 Recruitment Process Outsourcing Baker's Dozen survey published by HRO Today.

TalentFusion had been a perennial participant and winner of numerous Baker's Dozen awards since the inception of the survey in 2003.

"While we have enjoyed a great run with HRO Today, we looked at a number of factors that compelled us to remove TalentFusion from the survey," stated David Pollard, President and CEO of TalentFusion.

"It was a tough decision," Pollard continued. "At the end of the day, we did not want to leave the industry with the false impression that we had not been selected on the merits of the survey. We simply chose not to participate. I want to thank all of our loyal customers who have participated in past RPO Baker's Dozen surveys on our behalf."

TalentFusion had quietly removed itself from the previous Baker's Dozen survey in 2010.
