TalentFusion Recognized By HRO Magazine As A Project/On Demand Leader

Boston, MA-August, 13, 2008-HRO Magazine's recent yearly Baker's Dozen report was released and [TalentFusion](#) was recognized as a top Project/On Demand Leader. TalentFusion was one of seven firms recognized for their exceptional services in the Recruitment Process Outsourcing space. HRO Today magazine is read by more than 70,000 HR executives and leaders and covers the latest industry trends in HR outsourcing, services, shared services, and operations.

[TalentFusion](#) has been a leading innovator in the recruitment process outsourcing space and has assisted many Fortune 500 companies with great success in acquiring talent through various verticals such as IT, Financial, Bio Tech, Pharmaceutical, Energy, Construction, Government Services, and Mass Media. Their on demand project methodologies encompass workforce planning, requirements definition and position profile development, on-site engagement management and recruitment, sourcing and candidate list development, candidate management, on boarding process management, ATS management, and reporting and metrics. The scope of a TalentFusion project is clearly defined prior to engaging their clients and their well versed flexibility and scalability has separated the firm from others with distinction.

TalentFusion also offers their clients an offshore capability for their recruiting needs in Costa Rica with an additional presence in Europe and China.

CEO David Pollard commented-"We are honored and pleased to be recognized again by HRO Magazine as a leader in our industry and it properly reflects that we are indeed a high powered boutique consulting firm that many companies are now using and will consider as a resource."

[TalentFusion](#) is an end-to-end Recruitment Process Outsourcing (RPO) professional services firm. In 10 years as a pure RPO services firm, they have touched a full range of positions from hourly manufacturing to senior level management positions with a worldwide footprint.
